

EXPERIENCED BOILER TECHNICIAN

Troubleshoot, service and install a wide range of heating equipment for commercial and industrial applications

Job Requirements:

- Demonstrated diagnostic and service skills over at least 5 years in the trade
- Hold State of Maine Fuel Board License Unlimited and Propane/Natural Gas license with endorsements for Installation and Service
- Maine Fuel Board License 4-6 Oils and/or Solid Fuels a plus
- Additional licenses and certifications a plus
- Excellent customer service skills
- Strong written and oral communication skills
- A commitment and desire to improve and expand technical skills

Benefits:

Nason Mechanical Systems offers competitive wages and a benefit package that is unrivaled in our industry. This package includes a wide array of benefits ranging from extensive paid time off to educational scholarships for children and spouses and support for children's summer camp programs to excellent health coverages. The Company shares its profits with employees in substantial year-end bonuses as well as matching 401(k) contributions and bonuses.

The Company is committed to being a good place to work. Our employees work hard, but enjoy a congenial and collaborative work atmosphere. There is a distinct lack of hierarchy within the Company and employees are routinely included in discussions about Company performance and work backlog. There have been no layoffs or short days in the 18 years of current management.

Apply to this job by email, by mail, by fax or in person. An application can be found on the Employment page of this website.
