

EXPERIENCED PLUMBER

Nason Mechanical Systems is a full service mechanical contractor committed to providing quality construction, service and maintenance of heating, cooling and plumbing systems to commercial and industrial clients in central and southern Maine. We are currently seeking an experienced plumber.

Job Requirements:

- 3-5 years experience in a related role
- License not required but would be considered a plus
- Good problem solving and troubleshooting skills
- Effectively work with others and be part of a team
- Strong written and oral communication skills
- A commitment and desire to improve and expand technical skills

Benefits:

Nason Mechanical Systems has a wide array of benefits that are family/quality of life orientated. They range from paid time off to educational scholarships for children and spouses and support for children's summer camp programs to excellent health coverages. The Company shares its profits with employees in year-end bonuses as well as matching 401(k) contributions and bonuses.

The Company is committed to being a good place to work. Our employees work hard, but enjoy a congenial and collaborative work atmosphere. There is a distinct lack of hierarchy within the Company and employees are routinely included in discussions about Company performance and work backlog. There have been no layoffs or short days in the 18 years of current management.

Apply to this job by email, by mail, by fax or in person. An application can be found on the Employment page of this website.
